📍 Cuddalore, Tamil Nadu, India

SUMMARY

Entry-level .NET Fullstack Developer skilled in C#, ASP.NET Core, Angular, and PostgreSQL, with hands-on experience developing scalable web applications. Demonstrated ability to write clean, efficient code and implement modular backend solutions. Eager to contribute to dynamic teams and drive innovation through continuous learning and adaptability to emerging technologies.

SKILLS

C#   .NET   Asp.Net Core Web API   Asp.Net Core MVC   PostgreSQL   JavaScript   TypeScript   Angular

HTML   CSS   Bootstrap

CERTIFICATIONS

Back-End Development with .NET	**Programming with JavaScript**	**PostgreSQL**
Microsoft	Meta	Simplilearn

Foundational of C#	**SQL and Relational Databases 101**	
Microsoft	IBM	

PROJECTS

Portfolio Website

ASP.NET Core MVC, C#, Bootstrap, HTML, CSS
- Built a responsive portfolio website to showcase projects, skills, education, and certifications.
- Built a responsive portfolio website to showcase projects, skills, education, and certifications.
- Designed a modern dark-themed interface with custom animations and interactive UI elements to enhance user engagement.
- Implemented dynamic content rendering using MVC architecture and Razor Views.
- Deployed hosted files for easy recruiter access.

Hospital Management System

C#, PostgreSQL, ASP.NET Core
- Built backend logic to automate patient registration, appointments, and secure record management.
- Developed backend logic to automate patient registration, appointment scheduling, and secure record management, reducing manual effort and errors.
- Designed a modular architecture integrated with PostgreSQL to support real-time data processing and ensure system reliability.

To-Do List Application

JavaScript, HTML, CSS
- Developed a responsive web app with task creation, deletion, and completion tracking.
- Developed a responsive web application with features for task creation, deletion, and completion tracking.
- Designed an intuitive user interface with smooth animations and interactive elements to deliver a modern and user-friendly experience.

EDUCATION

B.E. Electronics and Communication Engineering

Anna University

📅 2020 - 2024   📍 Villupuram, India

CGPA
7.68 / 10
